If you cancel up to 29 days prior to the trip date, no refund will be extended. You will receive a full refund if a cancellation is made by Seascape for safety reasons. Refunds should not be expected in the event of unfavorable weather conditions during the trip.

Travel and Health Insurance

Trip cancellation insurance is highly recommended when booking a tour for Costa Rica or Newfoundland. We also recommend you have health insurance that covers expenses related to illness, accidents and evacuation from any given area in the foreign country. Please consult your travel agent, flight carrier, or independent companies such as The Cooperators, Blue Cross, Travel Guard or others. Some credit cards include travel insurance coverage when paying for the flight and / or kayak tour with such card.
